Re: Stakeholder Input; CON Modernization

Dear Ms. Mullins:

My thanks to you and Secretary Haynes for seeking stakeholder input regarding this matter.

I am writing to inform you that Cardinal Hill Rehabilitation Hospital and I personally support the contents of the document submitted by the Kentucky Hospital Association entitled: "Certificate of Need: Stabilizing Force for Health Care Transformation." The report presents compelling fact based arguments to retain CON albeit with minor reforms. Please retain CON and consider improving it pursuant to the recommendations stated in the KHA report.

Thank you for your consideration and please don't hesitate to contact me for additional information.

Sincerely,

Gary R. Payne
President/CEO
